## Stepping Fully into Your Authentic Abundance

### A 4-Week Telecircle with Laurel & Wes~!

Can spirituality & prosperity co-exist? The answer is a resounding "Yes!" However many of us are carrying outmoded beliefs about money and abundance. During this 4-week class, you will have the chance to clear energetic blocks, learn powerful techniques for co-creating abundance and claim a Prosperity Paradigm in your life.

*During this class, participants are encouraged to read the book, "Creating Money" by Sanaya Roman & Duane Packer*

#### **You Will:**

- Awaken yourself to the YOU that absolutely can co-create tremendous prosperity in all areas of your life.
- Clear generational paradigms about money and release any vows of poverty and "lack" you may have taken in this or other lifetimes
- Release the belief that you can get rich only through "luck" such as winning the lottery or having a rich relative include you in their will
- Demystify money & how it operates in your world.
- Engage in a sacred process of releasing judgments, limiting beliefs and fears that you may have around prosperity
- Open your channels of receiving to abundance of joy, love, prosperity and well-being.
- Remember that your co-creative abilities are more powerful than the economy
- Receive coaching & guidance from Josephus & the Wisdom Council, a group of higher guides channeled through Laurel
